

INSPECTION AGREEMENTS AND SERVICE CAPABILITIES

Regular inspections are important and may save you time and money. Read about how we can help today!

Why Choose HNS for Your Inspection Agreements?

Hydra-Numatic Sales provides inspection agreements to suit your needs. Our trained service personnel will give your station a complete overview at each inspection to make sure everything is working perfectly. If they discover a problem, they will contact you to discuss possible solutions and repair on the spot if possible. In the event that a detailed pump repair is necessary, our personnel will remove the pump for you and bring it to our facility for evaluation.

24/7 service

Our technicians are available on nights and weekends for emergencies even when our offices are closed.

Prevent breakdowns

Regular inspections can keep your pump running smoothly. Problems can be detected and repaired quickly.

Fully insured

We carry sufficient general property and liability insurance, as well as workers compensation insurance, to meet our needs and yours.

Factory authorized

We are the authorized sales, parts, and service outlet for Smith & Loveless, Inc., Ebara Pump Co., and other fine manufacturers.

Distributor prices

We have the lowest distributor prices with no additional markup on parts and rebuilding of your pumps.

Trucks are stocked

Our trucks are fully stocked for on the spot repairs.

Wet well cleaning

We have a program to aid in the care of your wet wells to remove grease and debris problems.

Please contact us to find out if you qualify for this service.

(NOTE: Not all wet wells can be cleaned by our technicians due to size and configuration.)

Improve operations for significant cost savings

We can make recommendations such as telemetry technology to assist you in monitoring your equipment when you can't be there. Also upgrades to keep your equipment running smoothly and in compliance with current standards. We offer a wide range of products to choose from.
